## Why Buyers Choose Capnest

|                             |                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------|
| ◆ <b>No Middlemen</b>       | You work directly with the manufacturer and exporter — no agents, no hidden markups.          |
| ◆ <b>Low Minimums</b>       | From a 2-piece sample to a 20,000+ piece bulk export order — every client gets the same care. |
| ◆ <b>Strict QC</b>          | Every stage is checked by skilled specialists before it's ever export-packed.                 |
| ◆ <b>100% Customization</b> | Your fabric, your colours, your logo, your labels — nothing here is off-the-shelf.            |
